GENERAL INFORMATION

Who Must File

All corporations, partnerships, trusts, estates or other entities conducting business in, performing services in, or deriving income (or loss) from activities in the Village of Covington.

Partnerships, joint ventures, associations or other businesses owned by two or more persons and conducting business in Covington are required to file city returns on an entity basis.

This form is for use by Business entities only. Individual residents or non-residents having Covington income (or losses), who file as sole proprietors, use Federal Schedule C, or have other types of income must obtain an Individual Form R from the Income Tax Division.

Amended Returns

An amended return is necessary for any year in which an Amended Federal Return is filed or in which your Federal Tax liability has changed. An amended return must be filed within ninety days of the filing date of any amended Federal return and must include a copy of the Amended Federal return.

Extensions

Extensions are not granted on an automatic basis.

All extensions shall be conditioned upon the taxpayer filing a tentative return, accompanied by payment of the amount of tax due thereon, by the original due date. An extension of time to file does not give you an extension of time to pay. Interest will be assessed on any tax balance remaining due after the original due date.

The Ordinance makes no provision for extension on the current year's estimate, which must be filed and any amount due paid by the due date.

Make written request for extension on or before April 30th or 4 months after fiscal year end.

Operating Losses

Net operating losses may only be carried forward for five (5) years.

Consolidated Returns

The Income Tax Division may require or disallow the filing of a consolidated return when certain transactions, apportionment of expenses or other devices appear to distort the net profits allocable to Covington. To produce a fair and proper allocation of net profits, such transactions may be adjusted.

Penalty and Interest

Penalty and interest are assessed on any unpaid tax liability after the due date of the return.

Penalty - 1.5% per month.

Interest - .5% per month.

Supporting Documents

Documentation is necessary to verify all amounts of taxable or non-taxable incomes, expenses and deductions, as applicable.

Additional forms, schedules or computations may also be needed to support your city return in certain circumstances.

When and Where To File

Returns must be filed on or before April 30th or within 4 months after the fiscal year end with the Village of Covington Income Tax Department, 1 S. High St., P.O. Box 156, Covington, OH 45318.

Any tax due must be paid when filed. Checks or money orders should be made payable to Village of Covington.

Incomplete returns or returns received without signatures or without proper supporting information may not be accepted: thereby creating potential penalty or interest assessments or delays in refund processing.

INSTRUCTIONS

Name and Address

Complete the name and address information, and federal employer identification number where requested. If your name and address are not correctly shown, make any necessary changes. Indicate the type of business entity and attach explanation if "other" is indicated.

Line 1: Total taxable income from Federal Form 1120, 1120S, 1065 or appropriate federal schedules. Schedules and supporting documentation must be attached.

Line 2 and Line 3: Use Schedule X to reconcile federal taxable income to city taxable income, when necessary. Schedule X adjustments should be included on Lines 2 and 3.

Line 4: Combine amounts on Lines 2 and 3 and show the excess on Line 4. Show negative amounts in parentheses.

Line 5: Total taxable income plus or minus Schedule X adjustments.

Line 6: Amount allocable to Covington (from Schedule Y computation). The Business Allocation Formula, Schedule Y is used to compute the portion of net profits allocable to Covington when business is conducted both inside and outside of the city. A business allocation formula consisting of the average of property, gross receipts and wages paid may be used by business entities not required to pay tax on entire net profits by reason of doing business both inside and outside Covington. However, if the books and records of the taxpayer shall disclose with reasonable accuracy the net profit attributable to Covington then only this portion shall be considered as having a taxable situs in Covington.

Line 7: Amount of income subject to Municipal Income Tax is computed by multiplying Line 5 by percentage on Line 6, if applicable.

Line 8: Covington Tax Due - Line 7 multiplied by 1.5% (.015).

Line 9: Show total estimated payments made.

Line 10: Prior year overpayment is amount of tax overpaid in prior year, not refunded, but transferred for use on the liability for this year.

Line 11: Add Lines 9 and 10 for total credits.

Line 12: Subtract Line 11 from Line 8 to compute the balance of tax due. If Line 11 is more than Line 8, proceed to Line 13.

Line 13: If Line 11 is more than Line 8, then an overpayment exists. Enter the overpayment on Line 13.

Line 14: If Line 13 is \$1.00 or more then you may have the overpayment applied to next tax year or refunded. Indicate your choice on Line 14. No indication will result in an overpayment credit to next tax year. Refunds will be processed in order of date received and mailed within a maximum of ninety days of receipt of a complete return.

Line 15: Indicate the amount of estimated tax due. You may base the estimate either on current year tax due (Line 8) or actual estimated amounts for next tax year.

Line 16: Divide Line 15 by 4.

Line 17: Show the overpayment from Line 14 if so indicated. The overpayment for the current tax year as shown on Line 14 of this return is applied to the first quarterly payment. If the overpayment is greater than the first quarterly payment, the difference will apply to the next quarter due.

Line 18: Line 16 minus Line 17.

Line 19: Line 12 plus Line 18. This amount is due no later than April 30 or within 4 months after the fiscal year end.

Signature: The tax return must be signed and dated.

If someone other than the taxpayer completes this return, sign as preparer and show address and Federal Identification Number. Indicate by checking yes or no if we may contact your tax preparer regarding this return.
